Yeah, you come around here knockin' at my door
beggin' me
To take another chance on you
Well, you sure do sound sorry yeah, you sure do look
sad
But there's a few things I won't do

I don't do my leapin' till I take a good look
I don't skate around on thin ice
I don't run with scissors and I don't play with fire
And I don't let the same dog bite me twice
No, I don't let the same dog bite me twice

Well, every time I start the weekend I can hear my
mamas voice
Sayin' baby, darlin' don't be no fool
Though you don't know how bad I want to throw you a
bone
But that would just be breakin' the rules

Don't do my leapin' till I take a good look
Don't skate around on thin ice
Don't run with scissors and I don't play with fire
And I don't let the same dog bite me twice
No, I don't

I don't go swimmin' right after I eat
I don't go jugglin' knives
Don't cross the street without lookin' both ways
And I don't let the same dog bite me

Don't do your leapin' till you take a good look
Don't skate around on thin ice, no
Don't run with scissors and I don't play with fire
And you don't let the same dog bite you twice
No, I don't let the same dog bite me twice

Come on now, no my mama didn't raise no fool, son
