Why try to stay when I can see that there's no reason to?

My heart is strong and my feet can move if I tell them to.

Time will tell and time will take it's toll on you.

My heart can rue, even if I don't want it to.

Those Churches off the Interstate,  
Cannot help the way I feel inside.  
Voices on my radio,  
Refuse to tell the best places to hide.  
Coffee in my coffee cup's,  
Only good for taken me on a ride.  
And I don't know which way I'm goin',  
But I'll dive right in and hope I come out fine.

My friends will help; they're gonna reach out their arms to mine.

They're gonna tell me all of the things that I forgot this time.  
You're gonna pay: that's what I say to make myself feel better.  
I'm payin' now but my pain won't last forever.

Those Churches off the Interstate,  
Cannot help the way I feel inside.  
Voices on my radio,  
Refuse to tell the best places to hide.  
Coffee in my coffee cup's,  
Only good for taken me on a ride.  
And I don't know which way I'm goin',  
But I'll dive right in and hope I come out fine.

Yeah, I don't know which way I'm goin',  
But I'll dive right in and hope I come out fine.
