Some you'll get over, some you never let go.

Some you'll forget and some, you'll always know.

Some memories linger, some memory's hard to recall.

Over and over you'll find you laugh through it all.(All.)

All the temptations,

All. (All.)

All the relations.

All. (All.)

All the sad faces.

None with the vaguest idea.

Some you'll remember for something said or done.

Some you'll ignore, the way they hit and run.

Some memory's painful, some memory's best to forget.

But over and over, you find you guided your steps.
(Steps.)

Through all the temptations,

All. (All.)

All the relations.

All. (All.)

All the sad faces.

None with the vaguest idea.

Vaguest idea.

None with the vaguest idea.

Instrumental break.

All the temptations,

All. (All.)

All the relations.

All. (All.)

All the sad faces.

None with the vaguest idea.

Vaguest idea.

None with the vaguest idea.

None with the vaguest idea.
