Now everything's coming down on me
This isn't the way I wanted it to be
I need a fix from you everyday
Seems that everything's going the wrong way
How did things get to be like this
I don't understand
When I'm not with you I start shakin'
And I can't possibly be mistaken'
Now you don't know what you're gonna do
Cuz I'm different from everyone around you
And I don't know what I'm gonna do
Cuz I never had to deal with anyone like you

I'm not addicted to you
I'm not addicted to you
I can do whatever I want to do
Not addicted to you
I'm not addicted to you

Well now because of you I am so high I can touch the sky
And I don't think I even will try to tell you how I feel
To make this unreal
When I can't have you I start shakin'
And I know I'm not mistaken

Well you don't know what you're gonna do

Cuz I'm different from everyone around you
And I don't know what I'm gonna do
Cuz I never had to deal with anyone like you

I'm not addicted to you
I'm not addicted to you
I can do whatever I want to do
Not addicted to you
Well I'm addicted to you

Now I have to try and break free
You're only trying to frustrate me
I've been led on for so long
Never knowing what I was doing was so wrong

Well why did it have to be this way
And why couldn't I just say
What couldn't I just say

I'm not addicted to you
I'm not addicted to you
I can do whatever I want to do
Not addicted to you

But I've got to have you
But I've got to have you

I'm not addicted to you
I'm not addicted to you

I'm not - I'm not addicted to
I'm not - I'm not addicted to
You
