Second chances never matter when all you do is let me
down
I should have known what's in the air will always have to
hit the ground

(Hook)

I feel like I done lost the will to ever be in love again
So thank you for causing the pain
I feel like I will never be the girl that I was yesterday
So thank you for making me change

(Chorus)

If I ever run into a guy like you Imma tell you what I'm
gonna do so fast
I'm running, I'm running, I'm running, I'm running, I'm
running, (2x)

Second place just ain't for me that's why I'm never in
your town
You never knew a woman's worth that's why I'm not
there with you now

(Hook)

I feel like I done lost the will to ever be in love again
So thank you for causing the pain
I feel like I will never be the girl that I was yesterday

So thank you for making me change

(Chorus)

If I ever run into a guy like you Imma tell you what I'm
gonna do so fast
I'm running, I'm running, I'm running, I'm running, I'm
running, (2x)

And I will not look back
And I will not hold your hand for a second
Reminiscing of battered days and broken hearts
I've learned my lesson

If I ever run into a guy like you, soooo fast
I'm running, I'm running, I'm running, I'm running, I'm

running

(Chorus)

If I ever run into a guy like you Imma tell you what I'm
gonna do so fast

I'm running, I'm running, I'm running, I'm running, I'm
running, (3x)
