Baby, Baby you weren't calling and
It's crazy, crazy to think that you lonely
You wanted time, so I gave it
You made up your mind now you're changing
You ain't never going to learn and it's time to face it
Cause I don't want you back no no no
And I had all that I wanted and I'm glad. oooooo

Maybe maybe maybe there was a time
That I would have gave you, gave you, gave you all my
time
I guess there is some things you can't take back
Like old folks things that you say
You forget that I remembered what was said
Because I don't want you back no no no
And I had all that I wanted and I'm glad oooooo
mmmmm

Hey ohhh
Yeah yeah mmm mmm

Oh baby cause I don't want you back no no no and
I had all that I wanted and I'm glad
Baby cause I don't want you back, no no no and
I had all that I wanted and I'm glad mmm
