This love ain't what I predicted
I never thought I'd be addicted
To the kind of love
That ain't [?]
This love is taking me over
Taking me in
Making me feel
Like I could fly
Sometimes I get a little scared
And take it out on you for less
Think about the love we have baby
And don't you say
It ain't over
Lord I pray
'Cause I need you
And not today
It ain't over
Don't turn away
'Cause I need you (need you, need you)
This love ain't no fairy tale
I never thought it would entail
The hardships that we endure
And I don't wanna close the door
Even if I sing no more
I'm all lit up on the outside, yeah
Sometimes I get a little scared
And take it out on your for less
Think about the love we have baby
And don't you say
It ain't over
Lord I pray
'Cause I need you
And not today
It ain't over
Don't turn away
'Cause I need you
Need you (need you, need you)
Need you (need you, need you)
Need you (need you, need you)
(2: 16)
This love ain't what I predicted (need you, need you)

This love is giving me wings (need you, need you)
This love is making me fly (need you, need you)
Love is everything {My God?}
And don't you say
It ain't over
Lord I pray
'Cause I need you (said I need ya... boy)
And not today
It ain't over (no no no, no no no)
Don't turn away
'Cause I need you
And don't you say
It ain't over
Lord I pray
'Cause I need you
And not today
It ain't over
Don't turn away
'Cause I need you
