It's not what you have
That makes me love you
Clothes that you're wearing
Don't mean nothing
Money in your pocket
Can't buy me
And your love
I thought it was a fear
In a perfect world baby
I would've found you long ago
But I'm willing and ready
To give you my all love don't you know
Oh what a feeling
Something real
Baby don't you know that you're all I need
Ohh
Ohh
Hey

It's not what you do
That makes me want you
If you're happy
I am too
Not the people that you're with cause I'm with you
Baby don't you know that love shines through
Ooh
In a perfect world baby
I would've found you long ago
But I'm willing and ready
To give you all my love don't you know
Oh what a feeling
Something real
Baby don't you know that you're all I need

Oooh
Oohh
Feels like I've been in a slumber
Now I've woken
Which feels like I've never said a word
Now I've spoken
(Inaudible)
In a perfect world baby

I would've found you long ago
But I'm willing and ready
To give you all my love don't you know
Oh what a feeling
Something real
Baby don't you know that you're all I need
