It's up and gone in the blink of an eye
Before you know, it's become another memory
Another story to tell
Another penny in the well
These magic moments
Come as easy as the rain falls
Come as often as a heart beat
Last as long as the snow
Not a day goes by
Not a day goes by

Paper boats
Out on the ocean
I send them off
My daily devotions

Paper boats
Out on the ocean
I send them off
I send them off

That river rolls,
Taking everything back home
And as it flows
Never changing never ending
All the beauty and the pain
Never come around again
Not a day goes by
Not a day goes by

Paper boats
Out on the ocean
I send them off
My daily devotions

Paper boats
Out on the ocean
I send them off
I send them off

I send it home

I send it home
To you
