I wanna be a soljah for your love, I, I wanna be, be,
Be a soljah for your love
My eyes have finally adjusted
To the light down here below
My eyes can finally see
Everything real that's real to me
I, I was a hungry soldier
I, I move like a broken train
Looking for the way to go
Hungry for a little brain
But this is the truth and the truth is the love
And the love is all we need,
Yo
This is the truth and the truth is the love
And the love is all we need,
Yo oh oh oh oo oh ohhh oh oh oh ohh yeah yeah yeah
yeah mmhmmhmm
I wanna be a soljah for your love
I wanna be a soljah for your love
My song was long forgotten
My heart moves without a beat
I heard your voice there in the silence
And in the stillness the music was revealed
This is the truth and the truth is the love
And the love is all we need, yo
This is the truth and the truth is the love and the love is
all we need,
Yo oh oh oh oo oh yo oh oh oh oo oh yo ohh oh oh
Oo oh oh oo oh oh oo ohh oh
Surrender
(That's what you gotta do)
Surrender
(Ohh)
Surrender
(That's what you gotta do)
Surrender
(Ohh)
Surrender
That's what you gotta do
(Surrender)
That's what you got to do
(Surrender)

That's what you gotta do
(Surrender)
Surrender
That's what you gotta do
Surrender
That's what you gotta do
Surrender
Surrender
Surr-e-e-nder
I wanna be a soljah for your love
I wanna be a soljah for your love
Oh I wanna be a soljah for your love
I wanna be a soljah, soljah for your love
