You're a dirty, dirty man
And you gotta dirty mind

You're a dirty, dirty man
You and that other woman, are two of a kind

But you forgot one thing baby
When you were doing me wrong.
That I'm a good house keeper
I'm gonna take my broom and sweep
All of the dirt, yes sir, out on the street

You're a dirty, dirty man
Ooo in so many, so many dirty ways.
You're a dirty, dirty man
You've been hideing your little dirt all over this here
place

I know you have
Oh here's my chance baby to throw some mud in your
face

Cuz I'm a good house keeper
I'm gonna take my broom and sweep
All of the dirt, yes I am, out in the street

Oh, I'm cleaning up my whole house
Fast as I can
Time to make everything spick and span

You're a dirty, dirty man
Ooooooh you done me dirty for so many years, yes you
did
You're a dirty, dirty man
And I'm tired of you and your woman and your dog too
You're a dirty man, dirty man
Ooooooh get outta my house
And don't never, never, never, never come back again

You're a dirty, dirty man
Ooohh, I'm tired
