Chorus:

I'm setting him up, all for the rip off girls  
I'm setting him up, all for the rip off girls

Verse:

My man never gives me credit,  
He all ways plays me cheap.  
But a woman is thinking,  
While her man is fast to sleep.

I know he's cheating,  
But I'm sweet as I can be.  
He thanks he's making a  
A fool outta me.

Chorus:

But I'm setting him up, all for the rip off girls (that's all  
it is)  
I'm setting him up, all for the rip off girls.

Verse 2

Early in the mornin' (Un Huh)  
He put his key in the door (yeah)  
With his shoes in his hands  
I meet him tippin' across the floor (I know he's tippin')

I was a smilin'  
Had his slippers for his feet  
Coffee in the pot  
And somethin' good to eat

Chorus:

'Cause I'm setting him up, all for the rip off girls (he  
don't even know it)  
I'm setting him up, all for the rip off girls

Talk:

Ah but one of these days, he's gonna walk through that door, and girls his good thing will be gone. I'm movin him out. Starting with the sofa, the chairs, and both TVs, I feel like he owe it all to me. I'm not gonna leave him a box to sit on, the bed and the freezer full of food will be gone.

I'm taking the carpet off the floor, and wall paper off the walls. I'm taking the telephone so he can't make no calls. This fool is in for the shock of his life, I'm tired of being neglected, I'm gonna slap him in the face with the unexpected.

Chorus:

'Cause I'm setting him up, all for the rip off girls (he don't know it)  
Setting him up, all for the rip off girls

Ad Lib:

He's dreamin' and I'm scheming ha ha ha ha  
And he's tippin' while I'm rippin' ha  
It ain't notin' but a rip off

I'm setting him up, all for the rip off girls  
Rip Offfff Hey that's all it is
