Come as you are, as you were  
As I want you to be  
As a friend, as a friend  
As a known memory

Take the time, very young  
The choice is yours, don't be late  
Take the risk as a friend  
As our own memory ah, memory ah

Come, dance some more, stop and sing  
As I want you to be  
As you were, as you are  
As an old memory ah, memory ah

Will I swear that I don't have a gun?  
Will I swear that I don't have a gun?  
That I don't have a gun  
That I don't have a gun

Memory ah

Will I swear that I don't have a gun?  
Will I swear that I don't have a gun?  
That I don't have a gun  
That I don't have a gun

Oh, oh, oh  
Oh no, oh no

Come as you are  
As you were, as you are  
As you were
