Bittersweet

Love as I may, I might try to dissuade from your pretty
face

All of my reasons, they dance with your charms in a
heady maze

You have your ties
No compromise
Keep what's in store
Give me no more

The glow in your eyes I must try to disguise
From my fleeting will
I'm slow to rely on a cover of smiles o'er my beating
thrill

I have grown wise I can deny
You mustn't know
How I'm politely hiding

That you're in my heart
Should I like it or not
And I need you, bitter-sweet

You have your ties
No compromise
Keep what's in store
Tempt me no more

When you're in my heart
Should I like it or not
And I need you-
Yes, you're in my heart
Should I like it or not and I need you, bittersweet
