I haven't dreamed about you
I'm too busy tossing and turnin'
I can't let my mind go wander long enough
For something I don't know
I haven't dreamed about you
I can't seem to sleep it away
Every night turns to a dawning gray
'Cause nothings changed since then

Chorus:
Oh the hardest thing to take
When you love someone
Is seeing the reasons
You'll leave them one day
Seeing the reasons you'll leave them

I haven't tried to call you
I know there'd be nothing to say
Like I'm talking in a foreign language
That you just don't get
I haven't tried to talk to you
You'd put your private headphones on
You'd just be singing out the same old song
Cause nothings changed since then

Oh the hardest thing to take
When you love someone
Is seeing the reasons you'll leave them one day
It's seeing the reason you'll leave them

Well I keep thinking how elated I would be about things
you said to me
But I couldn't seem to separate the promises from what
was really real

And the hardest thing to take
When you love someone
Oh the hardest thing to take
When you love someone
Is seeing the reasons you'll leave them one day
Seeing the reason you'll leave them
