If I only knew your name I'd go from door to door
Searching all the crowded streets for the face that I
once saw
If I only knew your name I'd go from door to door
Tell me have you seen the girl I met just once before?

One night of love,
Nothing more, nothing less
One night of love,
To put my head in a mess
Is that you on the bus?
Is that you on the train?
You wrote your number on my hand but it came off in
the rain.

One night of love,
Nothing more, nothing less
One night of love,
Has left my bed in a mess
Is that you on the bus?
Is that you on the train?
You wrote your number on my hand but it came off in
the rain.

If I only knew your name I'd go from door to door
Searching all the crowded streets for the face that I
once saw
If I only knew your name I'd go from door to door
Tell me have you seen the girl I met just once before

Whoah whoah whoah oooh.

Young love never seems to last
Far too young until they have a past
Playing games,
People move so fast
You don't need eyes to see
If someones got a heart of glass

Young love never seems to last
Far too young until they have a past

One night of love, nothing more, nothing less
One night of love
That left my heart in a mess

If I only knew your name I'd go from door to door
Searching all the crowded streets for the face that I
once saw
If I only knew your name I'd go from door to door
Tell me have you seen the boy I met just once before?

Whoah whoah whoah oooh.
