Dreaming
Dreaming of you, my love
Dreaming my darling dove you're crying for me
And your eyes staring up into space
Building up every place yet still staring at me
And I, I don't know why
You make me smile
And I, don't much care

If they ever knew you at all
Then why are you still crying
My love, I'm slowly dying
If we really knew each other
Then how are still together
We stick forever

Hoping,
Hoping that you my love
Hoping my darling dove will come crying to me
But your lies following me around
Oh, how I hate the sound of you lying to me
But you know what you do 'cause you do it to everyone
And you don't much care.

If they ever knew you at all
Then why are you still crying
My love, I'm slowly dying
If I really knew you at all
Then why do I keep lying?
My love I'm slowly dying

And it's dark days bringing me down
Messing me around
And it's you, dear, bringing me down
Messing me around

Knowing,
Knowing that you, my love
Knowing my darling dove is cheating on me
And your eyes staring up into space
Looking at any place except for me

And I,
I don't know why you make me cry
And I don't much care.
