Im not gunna lie if you look in my eyes
Whiping beer for your cheek and a tear from your eye
You take too many drungs and you make too much love
but i know, Your sweet on the inside

Sweet, on the inside

I suffer you see, from low self-asteem and sometimes i
break down and cry
You do too conversation point for twobut do we get
along
Or are we song wrong we're right?

Sweet on the inside

Come on sweet make a man out of me
not today, can't you see im weak
But if you hang around, i will find some steady ground
On which i cant stand
And no-one can fuck me around

Sweet stand by my side
Sweet on the inside

Good man, bad habit, one i do not need around x3
Sweet on the inside

Thanks to kelly
