Been a miner for a heart of gold  
I haven't found it yet  
Someone said it got sold in a back street killing

Now I've been searching for a heart apiece  
But no one seems to think of me  
And its just not willing.

No, no please don't go  
I've been lying here for days, you know.  
Wait, wait I've got something to say  
If you don't listen there's no way or keep your karma  
right  
Get your sleep at night  
Don't give up the fight  
Don't give up on life

Met a man in a back street station  
Didn't have a life, had no occupation  
He shouted at me  
Met a man in a back street station  
Didn't have a life, had no occupation  
He scared the living daylights out of me

And he said no, no, please don't go  
I've been lying for days with no one  
Wait, wait please don't stay  
I've got something you should say to keep your karma  
right  
Get your sleep at night  
Don't give up the fight  
Don't give up on life

No, no please don't go  
I've been lying here for days, you know  
Wait, wait I've got something to say  
If you don't listen there's no way just, keep your karma  
right  
Get your sleep at night  
And don't give up the fight  
And don't give up on life

And keep these to yourself  
It will get you in the end you know
