Yes I am,
Yes I am a master,
I had you bad man.
Little love,
Little love caster,
Palm of my hand.

I wish that I had,
I wish that I had of told you then,
Where my kindness ends.
I will take you home,
I will take you home and then,
Our love spell will end.

You are new to me.
You are new to me
And I can't seem to say,
I'd like you to stay.

Yes I am,
Yes I am a master.
I had you bad man.
Little love,
Little love caster.

They might know you best,
They might know you best and love you most.
But I would breathe you in,
I would breathe you in and be your ghost.

I saw a lady dance yesterday,
She was easily swayed,
I cannot be tossed and turned in this way,
I'm not your tiny dancer.

I can't seem to say,
I'd like you to say.

I see a lady dance yesterday,
She is easily swayed,
I cannot be tossed and turned in this way,

I'm no-one's tiny dancer.

I can't seem to say,
I'd like you to say.
I can't seem to say,
I'd like you to say.
