I am a master hunter I cured my skin, now nothing gets
in
Nothing not as hard as it tries

You want a woman because you want to be saved
Well I'll tell you that I got a little lot on my plate
Well if you want a woman who can call your name it
ain't me babe
No, no, no, it ain't me babe

I don't stare at water anymore,
Water doesn't do what it did before,
It took me in into the edge of insane when I only meant
to swim,
I nearly put a bullet in my brain when the water took me
in

I am a master hunter I cured my skin, nothing gets in
Nothing not as hard as it tries

You let men into your bed
They don't know you well
They can't get into my head
Oh they don't have a hope in hell

See the thing is that we're so alone
There's nothing we can share
You can get me on the telephone but you won't keep
me there
No, no, no, you won't keep me there

Take me somewhere I don't know give me something
let me go
Tell me something I can grow
Cause, I have some news

Wrestle in the rope from darkness is no fucking life
that I would choose

Take me somewhere I can grow
Give me something let me go tell me something I don't

know
I had some news

Wrestling with the rope from darkness is no fucking
life that I would choose

I am a master hunter I cured my skin, now nothing gets
in
Nothing not as hard as it tries
