(originally by Neil Young)

I caught you knocking  
at my cellar door  
I love you, baby  
can I have some more

Ooh, ooh, the damage done

I hit the city and  
I lost my band  
I watched the needle  
take another man

Gone, gone, the damage done

I sing the song  
because I love the man  
I know that some  
of you don't understand

Milk-blood to keep from running out

I've seen the needle  
and the damage done  
A little part of it  
in everyone

Every junkie's like a setting sun

I've seen the needle  
and the damage done  
A little part of it  
in everyone

Every junkie's like a setting sun
