I know i said i love you but i'm thinking i was wrong,
I'm the first to admit that i'm still pretty young,
And i never meant to hurt you when i wrote you 10 love
songs.

But a guy that i could never get cause his girlfriend
was pretty fit
And everyone who knew her loved her so.
And i made you leave her for me and now i'm feeling
pretty mean,
But my mind has fucked me over more times than any
man could ever know.

Maybe i should give up, give in.
Give up trying to be thin.
Give up and turn into my mother,
God knows i love her.

And i'm sorry to which ever man should meet my sorry
state.
Watch my steady lonesome gait and beware
I will never love a man cause love and pain go hand in
hand
And i can't do it, again.

So we stayed up late one night to try and get our
problems right,
But i couldnt get into his head just what was going
through my mind,

And i think he knew where i was going, he put bryan
adams on
I think he thinks it makes me weak but it only ever
makes me strong,
I've got this friend and he sounds just like him,
And he's the man I'd leave you for, the man that i just
adore like you.
The same man he turns to me, says 'i've got to tell you
how i feel,
If god could make the perfect girl for me it would be
you'
And my god told me not tell about how much do you
love your fella.

I don't know more every day
Not in this new romantic way.

I'll always be your first love, you'll always be my first
love.

But i'm sorry to which ever man should meet my sorry
state

Watch my steady lonesome gait and beware,

I will never love a man cause love and pain go hand in
hand, and i can't do it again.

I will never love a man cause i could never hurt a man,
not in this new romantic
Way.
