Where does my lover lie? I don't love I just lie.
Pray, Pray for me.
And where you run, I run in tow,
And where you're from I long to know.

How does a child know, where mother weakness goes?
And where? And where the trouble grows?
Well you will speak, and it shall be so.
And what you say will be all I know?

There was a time of weeks, I thought dogs barked at
me.
And I, I had lost my mind.
And the devil had put his mark on me,
And called his branches shake the trees?
That wasn't me for my trying, that's God and his lying.
Trying to make me loose my mind.
So, pray, Pray for me.

So you got my letter late,
When I permanently etched my name.
Right, Oh right into your soul.

I cannot love I want to be alone,
I will not love I want to be alone.
That's not love for its trying, that's the Devil and his
lying.
Trying to make me when I'm trying to be good.
So, Pray, Pray for me.

And where you run, I run in tow,
And where he's from I long to know?
Well you will speak and it shall be so.
But I cannot love I want to be alone

Pray, oh pray for me.
