When this old world starts getting me down and people
are just too much for me to face,
I climb way up to the top of the stairs and all my cares
just drift right into space.
On the roof, it's peaceful as can be and there the world
below can't bother me.

Let me tell you now, when I come home feeling tired
and beat,
I go up where the air is fresh and sweet (up on the
roof).
I get away from the hustling crowd and all that rat-race
noise down in the street (up on the roof).
On the roof, the only place I know where you just have
to wish to make it so.
Let's go up on the roof (up on the roof).

At night the stars put on a show for free and, darling,
you can share it all with me.
I keep a-telling you, right smack dab in the middle of
town,
I've found a paradise that's trouble proof (up on the
roof).
And if this world starts getting you down,
There's room enough for two up on the roof (up on the
roof).
Up on the roof (up on the roof), come on, baby (up on
the roof), come on, honey,
Up on the roof, up on the roof.
