Verse 1:

I was a daddy's girl sometime,
But I loved my momma till the end of time
I am cold and I am bright,
It's a curse if mine to be sad at night
It's a curse of mine to be sad at night

Chorus:

Late at night he'll come to me
And he'll tell me I'm alone
Don't think I don't already know?
All I see is road
No one takes me home,
Where, where can I go?

Verse 2:

Truth about desire says, I need to breathe another day
Truth I heard about regret
It's the hardest truth I've come to yet
It's the hardest truth I've come to yet

Chorus:

Late at night he'll come to me
And he'll tell me I'm alone
Don't think I don't already know?
All I hear are words
There's something I don't know
Where, where can I go?
All I see is road
No one takes me home,
Where, where can I go?

Verse 3:

If I feel like I want to be alone
If I feel like I'm better fuck then won
Pick up your roWe and jump a Rosie
She's just a sweet thing with a curse
I'm just about a woman with her clothes on
You dig them off, and chose the A...

All I hear are words

There's something I don't know
Where, where can I go?
