California shoeshine boys, counting up their dimes  
Counting up the girls they've known and counting up  
the times  
I've got heartache but I've got news  
California shoeshine boys, you can shine my shoes

California shoeshine boys never really care  
Only for that California shoeshine in their hair  
I've got heartache but I've got news  
California shoeshine boys, you can shine my shoes

California shoeshine boys, rapping ten feet tall  
John can make sweet Cindy cry but Joe can make her  
crawl  
I've got heartache, I've got heartache, I've got miles of  
heartache  
I've got heartache, I've got miles of heartache

Let me count, let me count, let me count, let me count  
I've got miles of heartache, let me count  
I've got miles of heartache, let me count, let me count,  
let me count  
I've got miles of heartache but I got news  
California sunshine boys, yeah, yeah, yeah

California shoeshine boys, counting up their dimes  
Counting up the girls they've known and counting up  
the times  
I've got heartache but I've got news  
California shoeshine boys, you can shine my shoes

California shoeshine boys, yeah  
California shoeshine boys, yeah  
California shoeshine boys  
California shoeshine boys  
California shoeshine boys, yeah
