Many loves have come to you
With a line that wasn't true
And then you passed them by
(Passed them by)

While you're in the center ring
And their lines don't mean a thing
Why don't you let me try?
(Let me try)

I don't have a diamond ring
I don't even know what song to sing

All I know is
La la la la la la la la la
Means I love you

All I know is
La la la la la la la la la
Means I love you

If there ever was a love
That I needed in this world
You are the one for me
(One for me)

Let me hold you in my arms
Thrill you with my charms
Darling, then you'll see
(You will see)

The things that I'm saying are true
And the way I'll explain them to you
Listen to me

La la la la la la la la la
Means I love you
La la la la la la la la la
Means I love you

Things I am saying are true
And the way I explain it to you

Yes, to you
Listen to me

La la la la la la la la la
Means I love you
La la la la la la la la la
Means I love you
