I found love on a two-way street
And lost it on a lonely highway
Oo I found love on a two-way street
And lost it on a lonely highway

True love will never die, so I been told
And into my life, you come, forever
With music gently playin' her heart was gently sayin'
Darlin' I love you.
I held you in desperation, I thought it was a revelation,
and you walked out

I found love on a two-way street
And lost it on a lonely highway
Oo I found love on a two-way street
And lost it on a lonely highway
True love will never die, so I been told
And into my life, you come, forever
With music gently playin' her heart was gently sayin'
Darlin' I love you.
I held you in desperation, I thought it was a revelation,
and you walked out

I found love on a two-way street
And lost it on a lonely highway
Lonely highway, lonely highway...
