Oh yeah  
Maybe, baby

Get the heebie jeebies  
Got the shakes  
And I got a funny feelin'  
That you got just what it takes

And oh yeah  
Maybe, baby  
Maybe, baby  
I'm fallin' in love

Gee, you make me lovesick  
That's for sure  
And I got a funny feelin'  
I don't wanna find a cure

And oh yes  
Maybe, baby  
Maybe, baby  
I'm fallin' in love, in love

I don't need a doctor  
Need no pills  
And I got a funny feelin'  
And the fever and the chills

And oh yes  
Maybe, baby  
Yes, yes, yes, maybe  
I'm fallin' in love, in love  
Oh, yeah
