Oh yeah
Maybe, baby

Get the heebie jeebies
Got the shakes
And I got a funny feelin'
That you got just what it takes

And oh yeah
Maybe, baby
Maybe, baby
I'm fallin' in love

Gee, you make me lovesick
That's for sure
And I got a funny feelin'
I don't wanna find a cure

And oh yes
Maybe, baby
Maybe, baby
I'm fallin' in love, in love

I don't need a doctor
Need no pills
And I got a funny feelin'
And the fever and the chills

And oh yes
Maybe, baby
Yes, yes, yes, maybe
I'm fallin' in love, in love
Oh, yeah
