Stand up straight
Watch your time
Learn the rules
Be cool
Stay in line
Oh but I'm still mixed up like a teenager
Gone like the 4th of July
For the sweet sky

What do I care
Anymore
Same old rap, same old gap
I had me once before
But that's when I was
Mixed up like a teenager
Gone like the 4th of July
For the sweet sky

I'm free, if I could be me
You're free if you just be
I'm free, if I could be me
Naurally, naturally, naturally

Oh my sweet love
I'm open to you, now
To laugh with you
Talk to you
Read some rhythm and blues
I'll rock you all night
Don't put off this fire
I'm burning like the 4th of July
Or should I be shy for the sweet sky?
'Cause my love is high
People are beautiful
As they pass by
This rhythm is beautiful
Or should I be shy?

Oooh...
Sweeter... than the sweet sky
Sweeter... than the sweet sky

Rock all night, rock all night

Sweeter... than the sweet sky
Rock all night

Sweeter... than the sweet sky
Rock all night

Sweeter... than the sweet sky
Rock

Sweeter... than the sweet sky
Rock all night

Sweeter... than the sweet sky
Rock

Sweeter... than the sweet sky
Rock
