Lighten up  
Baby  
On my love  
Lighten up  
Like summer & ices  
And stars above

This Month'll soon be gone  
These blues linger on  
It's the time of the month

So lighten up  
Baby  
Tonight  
Tell me a joke  
Make sure it's funny  
By the bedroom light

Baby don't look at me like Freud  
That could create a void  
And get you thrown out  
My love

'Cause every day  
I'm waiting for Luna Rosé?

I've been waiting  
For Luna Rosé to Descend  
To bring it on again  
These blues are serious  
I feel delirious

Ooh yeah dddd dip  
Lighten up baby  
Ooh yeah  
This month'll soon be gone  
These blues linger on  
And every day  
I'm waiting for Luna Rosé?  
Waiting for Luna Rosé?  
I'm waiting for Luna Rosé
