Tom Cat Goodby

Rosie Pearl is a big blonde girl  
and she sails around like a Steamboat!  
dates her Tom in her arms... they shine... for... Tom...

here the Tom Cat  
where have you been too  
here the Tom Cat  
say, where have you been too  
I'm so lonely  
been crying - waiting up for you

Ya that hear me!

I got your name Tom  
I got your children  
what about the children  
Tom CAT Tom CAT  
you old rag - you old rag  
Where have you been too?

Johnny cheated Frankie killed him  
Johnny cheated so Frankie killed him  
Johnny killed him  
I don't blame her I would have done it too

Yaa that heaven!

you nearly promised  
you kissed and swing low  
foot screaming out the window

Tom Cat Tom Cat  
you old rag - you old rag  
where have you been too?

you know your never gonna make a moviemaker, TOM  
you know your never gonna make a moviemaker -TOM!  
you know your never gonna make a moviemaker  
always be a City Fag-oh Tom oh Tom  
never gonna make a movie maker Tom

oh Tom oh Tom  
never gonna make a movie maker  
never make a movie maker  
never gonna make a movie maker  
always be a city fag  
Tom...

no Tom I can't go on Tom  
I can't get past  
shady pastshady pearl  
sheny past

rasheen on  
Rashheeen on...

I quit lovin you  
lovin you...  
baby, I'm going to the cunt-tree  
gonna buy my land  
I'm going to the country  
to kill my lover man  
gonna kill my lover  
gonna kill my lover  
gonna kill my lover man  
gonna kill my lover man  
gonna kill my lover - Man

You know Tom you don't care  
you don't care...

you know Chaaa

run like a chicken from the Pan, baby  
what'd you say now?

here that Tom cat  
he walks like a tom cat  
he runs like a tom cat  
goes fishing like a tom cat  
he treats like a tom cat

He Lies!

Can I find him...  
can I find him.  
can I find him.

can I kill... him  
My... Lover - Man...(man)  
My MAN!
