Yea,uh aa, aha yea

Even now when I see you  
I start to relive you  
Don't know how  
I could ever begin to forgive you?

I never thought about it, I learned to live without it  
But nothing seemed to feel the same  
If I should try again and you should lie again  
Don't know if I could stand the pain?

Do I dare  
Let you in once again and surrender?  
Should I care  
Should I trust when my heart still remembers?

How you lied how I cried?  
Now you say you wanna make it right?  
So I ask won't you hear my prayer  
Do I love, do I trust, do I dare?

Oh yea

Tell me why did you play such a game last September?  
Pretty lies were you real, were you just a pretender?  
But now you're back again  
Saying that that was then

And how you're gonna change your ways?  
I don't know what to do  
Cause I'm still feeling you?  
But will the story end the same?

(Do I dare?)  
Do I dare?  
(Let you in once again and surrender)  
Let you back in my life  
(Should I care?)  
Should I care?  
(Should I trust when my heart still remembers?)  
And it cuts like a knife

How you lied how I cried?  
Now you say you wanna make it right  
So I ask wont' you hear my prayer?  
Do I love, do I trust do I dare?

Oh yea ho yea

I never thought about it  
I learned to live without it  
But now sometimes it feels  
Just like I'm gonna die without it

I don't know what to do  
'Cause I am still feeling you?  
(Still feeling you)  
And I am still afraid that you  
Could break my heart in two  
(Heart in two)

I don't know if I can stand the pain?  
Will the story end the same?

(Do I dare?)  
Do I trust you again?  
(Let you in once again and surrender)  
(Should I care?)  
Should I care?  
(Should I trust when my heart still remembers?)  
When my heart still remembers

(How you lied how I cried?)  
I cried  
(Now you say you wanna make it right)  
So I ask wont' you hear my prayer?  
Do I love, do I trust do I dare?

(I never thought about it)  
(I learned to live without it)  
But now sometimes it feels  
Just like I'm gonna die without it

I don't know what to do  
Cause I am still feeling you?  
And I am still afraid that you  
Could break my heart in two

(Do I dare?)  
How you lied how I cried?  
(Let you in once again and surrender)  
Ask wont' you hear my prayer?

(Should I trust when my heart still remembers?)  
Do I dare?  
(Do I dare?)  
(Let you in once again and surrender)
