Feels like  
Iâ€™ve been frozen in time  
And I'm looking for an easy way  
To get on with my life  
But I know  
Youâ€™re the one to tell  
Iâ€™ve been putting on a masquerade  
I ainâ€™t doing that well

Everything is crushed  
And I'm losing this game  
I can't help myself to wonder  
Do you feel the same?

How could I ever say goodbye  
Everyday is a monday  
Without you by my side  
I must have been a fool to try  
'Cos everyday is a monday  
Without you in my life

Tell me  
It's a big mistake  
'Cause I kindâ€™ve to learn my lesson  
more than I can take  
Freedom  
I don't trust your face  
I don't wanna be the one  
Who is running Oh No Way

Everything is crushed  
And I'm losing this game  
I can't help myself to wonder  
Do you feel the same?

How could I ever say goodbye  
Everyday is a monday  
Without you by my side  
I must have been a fool to try  
'Cos everyday is a monday  
Without you in my life

We work the weekend  
Always living to be free  
Now Iâ€™m stuck in a monday  
When I need you  
Everyday of the week.

Ehhh.Uhhhhh.Ohhh Noooo

How could I ever say goodbye  
Everyday is a monday  
Without you by my side  
I must have been a fool to try  
Everyday is a monday  
Without you in my life  
I must have been a fool to try  
How could I ever say goodbye  
Everyday is a monday  
Without you in my life  
Everyday is a monday
