"it's a small world"

It's a world of laughter, a world of tears;

It's a world of hopes and a world of fears;

There's so much that we share,

That it's time we're aware

It's a small world, after all.

It's a Small World, after all;

It's a Small World, after all;

It's a Small World, after all;

It's a small, small, world.

There is just one moon and one golden sun,

And a smile means friendship to everyone;

'Though the mountains divide,

and the oceans are wide,

It's a small world, after all.

It's a Small World, after all;

It's a Small World, after all;

It's a Small World, after all;

It's a small, small, world.
