Countless eyes are watching
In this, our finest hour
It's time to realize the dream
And who we really are
I'm gonna freeze this place in time
Rise to meet the call
Seize the moment, make it mine
And, through it all...

CHORUS

Straight as the arrow flies
I will run toward the finish line
With all the strength I've found
My feet won't touch the ground
I will scale the heights if I believe
Your wings of faith will carry me
I'll go the distance just to reach
The arms I'm running to
I'll go the extra mile
For you

I know it won't be easy
To make you understand
I want to take the glory
And put it in your hands
'Cause you're the light that makes me shine
You're the hero in my eyes
Win or lose, do or die
I have made it high

REPEAT CHORUS

BRIDGE

(Go the extra mile)
In the end
(Go the extra mile)
I want to be able to say
I gave all of me for the world to see
And I would do it all again
I'll go the extra mile

REPEAT CHORUS

Knowin' it would be worthwhile
I will go the extra mile
For you
