Countless eyes are watching
In this our finest hour
It's time to realize the dream
Of who we really are
I'm gonna freeze this space in time
Rise to make the call
Cease the moment
Make it mine
And through it all

Straight as the arrow flies
I will run towards the finish line
With all the strength I've found
My feet won't touch the ground
I will scale the heights if I believe
The wings of faith will carry me
I'll go the distance just to reach
The arms I'm running to
I'll go the extra mile for you

I know it won't be easy
To make you understand
I want to take the glory
And put it in your hands
'Cause you're the light that makes me shine
You're the hero in my eyes
Win or lose
Do or die
?

Straight as the arrow flies
I will run towards the finish line
With all the strength I've found
My feet won't touch the ground
I will scale the heights if I believe
The wings of faith will carry me

I'll go the distance just to reach
The arms I'm running to
I'll go the extra mile for you
(Go the extra mile)
In the end

(Go the extra mile)
I want to be able to say

Tell the world to see
I would do it all again
I'd go the extra mile

Straight as the arrow flies
I will run towards the finish line
With all the strength I've found
(All the strength I've found)
My feet won't touch the ground
I will scale the heights if I believe
The wings of faith will carry me
I'll go the distance just to reach
The arms I'm running to

I'll go the extra mile
For you

Knowing it will be worth while
I will go the extra mile
For you
