The hate, the power, to destroy all the weak  
(And false)  
Reaching the veil of death  
My ultimate quest, conquering the  
Visions of sorrow  
The weight of my despair...  
Maim the souls  
Of the ones with no strength  
Cry, feel my utter rage  
Pain, the strongest of pains  
Lust, for vengeance, for revenge  
At last my time is here

Taking all the  
(Mediocre) Souls by storm  
Sadness and fear  
Cover your pathetic will  
My mind is so strong  
Your loss my victory  
Lying in your putrid misery  
Tears cover  
Your last memory...  
Cry, feel my utter rage  
Pain, the strongest of pains  
Lust for vengeance, for revenge  
At last, time is here
