May the grace that sought my heart on that first day  
Be the grace that binds my heart to stay  
May the truth that opened up my eyes on that first time  
Be the thoughts on my mind that never go away

For You are a lamp to my feet  
A light to my path  
You're the hand that's holding me

Faithful God, every promise kept  
Every need You've met, faithful God

May the love that caught my heart to set it free  
Be the love that others see in me  
And may this hope that reaches to the depths of human  
need  
Be the song that I sing in joy and suffering

For You are the love that never leaves  
The friend that won't deceive  
You're the one sure thing

Faithful God, every promise kept  
Every need You've met, faithful God  
All I am and all I'll ever be  
Is all because You love faithfully  
Faithful God

How deep, how wide the love  
That pierced His side, the love  
Redemption's mine, oh love  
That will not let me go  
How deep Your love

How deep, how wide the love  
That pierced His side, the love  
Redemption's mine, oh love  
That will not let me go

How deep, how wide the love  
That pierced His side, the love  
Redemption's mine, oh love

That will not let me go

Faithful God, every promise kept  
Every need You've met, faithful God  
All I am and all I'll ever be  
Is all because You love faithfully  
Faithful God, faithful God
