From the highest of heights to the depths of the sea  
Creation's revealing Your majesty  
From the colors of fall to the fragrance of spring  
Every creature unique in the song that it sings, all  
exclaiming

Indescribable, uncontainable  
You placed the stars in the sky  
And You know them by name  
You are amazing God

All powerful, untameable  
Awestruck we fall to our knees  
And we humbly proclaim  
That You are amazing God

Who has told every lightning bolt where it should go  
Or seen heavenly storehouses laden with snow  
Who imagined the sun and gives source to its light  
Yet conceals it to bring us the coolness of night, none  
can fathom

Indescribable, uncontainable  
You placed the stars in the sky  
And You know them by name  
You are amazing God

All powerful, untameable  
Awestruck we fall to our knees  
And we humbly proclaim  
That You are amazing God, You are amazing God  
You are amazing God

Indescribable, uncontainable  
You placed the stars in the sky  
And You know them by name  
You are amazing God

All powerful, untameable  
Awestruck we fall to our knees  
And we humbly proclaim  
That You are amazing God

You are indescribable, uncontainable  
You placed the stars in the sky  
And You know them by name  
You are amazing God

Incomparable, unchangeable  
You see the depths of my heart  
And You love me the same  
You are amazing God, You are amazing God  
You are amazing God
