I survived the desperate toll dark depression takes  
I may not break even but babe I'll never break  
Golden coins and smiles no they cannot tip my scales  
'cause this land, this love will never be for sale

Brass hats and soldier boys whiskey on your breath  
Drop your holy missiles you can take my body dead  
Send me all your lightning storms your thunderheads  
and hail  
'cause this land, this love will never be for sale

(Yodeling)

Wild eyes they watch on me through the velvet night  
Fire on the mountain you can burn me where I lie  
Even though I'm dead now as an old and rusty nail  
This land, this love will never be for sale
