[Verse 1:]

Lord I come before You
To honor and adore You
For who You are and all that You have done
Lord I am not worthy
My heart is dark and dirty
Still somehow You bid for me to come

[Pre-Chorus:]

So clothe me in humility
Remind me, that I come before a King

[Chorus:]

And there is nothing
There is nothing
More precious, more worthy
May I gaze deeper
May I stay longer
May I press onward to know You Lord

[Verse 2:]

May our time be sweeter
May I be a keeper
Of the promises I make to You in song
Lord may I remember these moments of surrender
And live my life this way from this day on

[Pre-Chorus:]

So clothe me in humility
Remind me, that I come before a King

[Chorus:]

And there is nothing
There is nothing
More precious, more worthy
May I gaze deeper
May I stay longer
May I press onward to know You Lord

[Pre-Chorus:]

So clothe me in humility

Remind me... that I come before a King

[Chorus:]

And there is nothing

There is nothing

More precious, more worthy

May I gaze deeper

May I stay longer

May I press onward to know You Lord

May I press onward to know You Lord
