I'm half with half a heart,  
And half a mind when we're apart,  
When you're here with me,  
I'm complete,

My heart had been,  
So uninspired,  
But left a lot to be desired,  
When you're here with me,  
I'm complete,

You're the half that makes me whole,  
The missing piece, my second soul,  
Your love is all I need,  
Baby when I'm with you..  
Can't you see,  
I catch my breath,  
I lose my cool,  
Watch my heart break every rule,  
Cause whne you're here with me,  
I'm complete

You're the half that makes me whole, (my second soul)  
The missing piece, my second soul (I am complete)  
Youre love is all I need,  
Baby when I'm with you,  
Can't you see,  
I'm satisfied,  
My heart's content,  
Now my world makes perfect sense,  
Cause when you're here with me,  
I'm complete,

When you're here with me,  
I'm complete
