In the middle of the night,  
I'm reaching out for you,  
In the darkness I can feel,  
Your touch break through,  
When I look into your eyes,  
Your skin against my skin,  
I want to hold you till the sun comes crashing in,  
Where would I be now,  
Without the tenderness that you possess?

The touch,  
The touch that makes me strong,  
That keeps me holding on,  
I come to you,  
When time are tough,  
Your love is just enough,  
To lift me up so high,  
There's nothing I won't give,  
To be with you,  
To reach for you,  
I live for the touch,

Oh, I wanna be the one you need,  
I need to be the one you see,  
I need to justify the thing you have in me,  
Your the beauty in my life,  
The sun that lights my soul,  
Your the other half I need to make me whole,  
Who would I be now,  
Without the light you bring to everything,

The touch,  
The touch that makes me strong,  
That keeps me holding on,  
I come to you,  
When time are tough,  
Your love is just enough,  
To lift me up so high,  
There's nothing I won't give,  
To be with you,  
To reach for you,  
I live for the touch,

All my life has been a journey here to you,  
Every road and river brought me closer to...

The touch,  
The touch that makes me strong,  
That keeps me holding on,  
I come to you,  
When time are tough,  
Your love is just enough,  
To lift me up so high,  
There's nothing I won't give,  
To be with you,  
To reach for you,  
I live for the touch
