Converting Angels,
Touch me again,
My heart is empty,
I loved in vain,
Stay with me when I sleep,
Help me wake up brand new,
Cherish and hold me,
Bring me some peace,
Tired of yearning,
I want the secret of life,

No more questioning things,
Have faith that experience brings,

I'm down on my knees,
And the journey is hard,
I don't know where you are,
I'm down on my knees,
And I've made it this far,
I don't know where you are,
I don't know where you are,

My rock of angels,
Couldn't find me,
Constantly learning,
Open the eyes of a child,
Always questioning things,
And my unconscienness sings,

I'm down on my knees,
And the journey is hard,
I don't know where you are,
I'm down on my knees,
And I've made it this far,
I don't know where you are,
I don't know where you are,

One tender moment,
The sky like the sea,
All that remains now is dust,
Carefully listen,
And you'll hear the sun,

Here she comes,

I'm down on my knees,
And the journey is hard,
I don't know where you are,
I'm down on my knees,
And I've made it this far,
I don't know where you are,
I don't know where you are,

Comforting angel...
