When you sing
When you sing
Stars fill up my eyes

Galaxies
Pour down my cheeks
Galaxies

Galaxies
They flood the street
Galaxies

When we dance
When we dance
Eels and sea grass float on by

I'm ten thousand leagues
Beneath the sea
Ten thousand leagues

Ten thousand leagues
Beneath the green
Ten thousand leagues

When we kiss
When we kiss
Bears and boulders
Vibrate through the air

Gravity
Is dead you see
No gravity

All I need
Is beating red
No gravity

No gravity
No gravity

No gravity
No gravity

No gravity
No gravity
