Too bad, no storm in my tea-cup
It's so sad, my stockings they have no runs
I look up, no smoke in the chimney
By the lamplight I promise this room

Anywhere the wind blows, Anywhere the sea breaks
Anywhere the earth quakes, Let this world explode
Take me to a new place, with nothing in my suitcase
I'll Go, Anywhere the wind blows
Anywhere the wind blows, I'll go

I stand, no perfume, no makeup
It's me, so what if my face is bare
Dressed up in my father's old sweater
I slam the door and run down the stairs

Anywhere the wind blows, Anywhere the sea breaks
Anywhere the earth quakes, Let this world explode
Take me to a new place, with nothing in my suitcase
I'll Go, Anywhere the wind blows...

The rain, it straightens out my hair

There's people rushing everywhere
And buses, taxis, phones and faxes
But I'm already there

Anywehre the wind blows, Anywhere the wind blows
By the lamplight I promise this room

Anywhere the wind blows, Anywhere the sea breaks
Anywhere the earth quakes, Let this world explode
Take me to a new place, got nothing in my suitcase
I'll Go, Anywhere the wind blows
Anywhere the wind blows, Anywhere the wind blows...
