"My spot in the world"

I'll find my spot in the world if it takes forever.
One day I'll bring all the spots in the world together.

I'll find one spot or 2 or 3,
I'll find the spot that's meant for me

I'll find my spot in the world if I believe it
And when I do you know I'm never gonna leave it

It is the spot where rainbows start.
I'll find spot inside your heart.
It could be under my nose or across the ocean.
Take all my strength and my emotion.
Deeper than the eye can see,
Find the spot that's meant for me

I'll find my spot in the world if it takes forever.
One day I'll bring all the spots in the world together.

I'll find one spot or 2 or 3,
I'll find the spot for me.
I'll find my spot in the world,
If it takes forever.
